The screenshot shows the Creditsafe website interface. At the top, there is a navigation bar with links for 'Gestion du Risque', 'Marketing-Ventes', 'Solutions Intégrées', 'En savoir plus', 'Accès test', and 'Se connecter'. A red arrow points to the 'Se connecter' button. Below the navigation bar, the main content area features a Parisian cityscape background with the Eiffel Tower. The text reads: 'Creditsafe | Fournisseur d'informations B2B le plus utilisé au monde'. Below this, it states: 'Global Business Intelligence Experts | Plus de 13 000 entreprises françaises font confiance à Creditsafe pour les aider à développer leur activité tout en les protégeant du risque de défaillance.' There are two buttons: 'Tester Creditsafe' and 'En savoir plus sur Creditsafe'. Below the main content, there is a section titled 'Gestion du Risque' with the subtitle 'Découvrez nos différentes solutions dédiées à la gestion du risque'. This section includes three icons and their corresponding descriptions: 'Rapports de solvabilité', 'Recouvrement', and 'Compliance'. A red button at the bottom of this section says 'Voir nos solutions de Gestion du Risque'.

Searching for a French company

To search for a French company, simply enter its company name, its SIRET or its SIREN in the search engine on the home page.

The screenshot shows the Creditsafe website interface. At the top right, there is a user profile for 'Agathe' with ID 101321470 and a 'Logout' link. The main navigation menu on the left includes 'Credit Solutions', 'Company Search', 'Director Search', 'Association Search', 'Monitoring', 'Risk & Compliance', 'Marketing Solutions', 'Partner Solutions', and 'Ledger 3D'. The 'Company Search' option is highlighted with a red arrow. The main content area is titled 'Basic Company Search' and contains a search form with fields for 'Company Name', 'SIREN / SIRET', 'Safe Number', and 'Country' (set to France). A 'Search' button and a 'Reset' button are visible. A checkbox option 'Limit the search only to head offices' is checked. Below the form, there is a banner with the text 'Maitrisez vos risques, conformez votre entreprise à la loi Sapin II et aux réglementations européennes.' and an image of a hand holding a tablet displaying financial information.

The result page displays all the companies corresponding to your search, first in France and then in the Creditsafe International network. Click on the desired company to display its information report.

What's inside a credit report ?

The first page of a credit report displays a summary of the company's situation. At the top of the page, for a quick read, you will find the essential data for measuring creditworthiness, including the score, credit limit and DBT score. A new indicator displays the viewing trend for each report. Click on the different sections to learn more about the company.

Our recommendation of the total amount of credit that should be outstanding at any one time.

Click to reveal bandings for credit ratings on established and newly incorporated companies.

Maximum contract capacity on a single contract over 12 months.

Click on the map for a street view of the company's location in google maps.

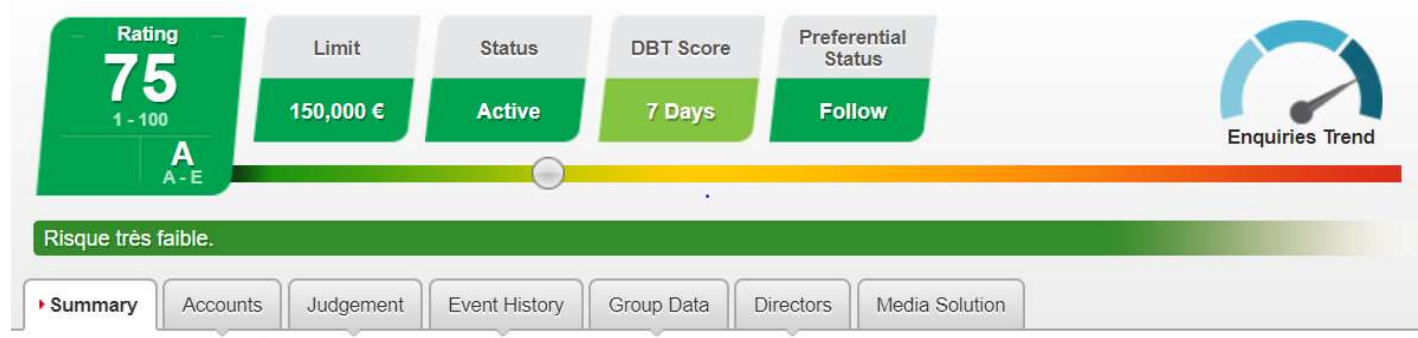

Brief overview on any CCJ's, mortgages, Trade Debtors and Creditors. Select show more to reveal more in depth information about these.

The screenshot displays the Creditsafe interface for a company credit report. At the top, the company name is 'CREDITSAFE BUSINESS SOLUTIONS LIMITED - 03836192'. Key metrics shown include a credit score of 95, a credit limit of £170,000, a contract limit of £4,000,000, and a DBT score of 14. A payment trend indicator shows an increase. The report is divided into sections for Summary, Additional Information, Key Financials, and Payment Information Summary. The Summary section includes details like Company Number, Company Name, Registered Address, Website Address, Telephone Number, Incorporation Date, and Principal Activity. The Additional Information section lists CCJ's, Mortgages, Trade Debtors, and Trade Creditors. The Key Financials section shows Year to date, Turnover, Pre-Tax Profit, Shareholder funds, and Employees. The Payment Information Summary section shows Company DBT and Industry DBT scores, along with a Payment Trend indicator.

You can use the tool icons located at the top of the screen to Print, Save and Share the report as needed. The Follow button can be used to add the company to your risk tracker (for more information about monitoring please see our company monitoring guide.)

DBT stands for Days Beyond Terms, this indicates how many days an invoice is overdue on average for the company you're viewing. You can compare this to the industry average DBT to determine whether the company is effective at paying on time or not. The payment trend reveals whether the company is getting better or worse at paying on time (Green = Payment Trend getting better, Red = Payment Trend getting worse).

Accounts:

The financial statements for the last three years can be found in the "Accounts" tab, including the income statement, balance sheet and information on capital and reserves. You can hover over the financial terms to reveal a brief description of the term. An icon is available in the last sub tab "Graph" to display a graph showing key performance indicators.

Judgement:

You will find all the legal history of the company, including collective decisions, litigation and details of privileges.

Event History:

A description of past events surrounding the company and their impact on the company's credit rating. The event history section will show any liquidations, dissolution or any striking off order events in the companies past. A history of all previous credit limits and ratings will also be shown here. You can also access Companies House documents and view when any documents have been filed. The 'view document' button allows you to view the full documents submitted to Companies House.

GroupData:

Full view of any subsidiaries and all linked companies within the group structure of the company you are viewing. You can click on the company names to view their full company report.

Directors:

Provides details on the current and past officers and shareholders of the company you are consulting. By clicking on the names, you can get more information about the executive, including the history of the companies he or she previously ran. Contact information for the top 20 shareholders can be found at the bottom of the tab

Media Solutions:

Unique to Creditsafe, media solutions displays any articles released from press related to the company. If any negative articles are found we can suspend a company's credit rating and place on the report.

The Creditsafe Score

The financial health of the company is illustrated by a credit score, credit limit, score history and comments justifying the score assigned.

The creditworthiness details are accessible from the "rating" sub-tab on the Summary page.
